

Leave a Gift for Your Hospital in Your Will

Mr. & Mrs. Jackson are in their mid-70s with four adult children. They are updating their wills and powers of attorney. Their Estate is valued at \$500,000, including a \$100,000 RRIF plan. Their primary goal is to leave their Estate to their children and they also wish to consider a gift for their local hospital in their wills. Assuming \$50,000 in annual income, a financial adviser provided three simplified examples for them.
